EXPERIENCE

WEB DEVELOPER • SELF EMPLOYED

• 2019 – PRESENT

Designed and created client websites for an organization especially local project. For my years of learning web development, I've faced many challenges and learn to overcome them. I've got the grasp of basic web development and programming paradigms.

EDUCATION

BSCS • IN PROGRESS • LAGUNA STATE POLYTECHNIC UNIVERSITY

Since 1st year until now, I'm a part of deans lister and scholar of Cavinti Laguna. I'm taking computer science degree to improve my skills and now I'm 2nd year college of my bachelor course.

ICT • 2019 • AMA STA. CRUZ CAMPUS

I took up the TVL ICT strand and an achiever at AMA Senior High School. Awarded as Best in ICT in May 2019, Best in Immersion and With High Honors.

PROJECTS

PSBC • Paete Science Business College & Enrollment System.

GitHub Finder • (Personal Project) Find or Search profiles with latest repos, followers, profile summary and etc.

Online Store - Fabrique • Personal Project E-commerce Website.
